Wildcat-Monarch gridders unite to end

This was to be our year for attaining glory. When twenty-three lettermen took the practice field in August, the prognosticators had the Cats tabbed as the top city contender.

The Monarch contribution helped the Wildcat cause considerably as twelve of the twenty-three lettermen were from Rex Mundi. Also affected was the coaching staff. Veteran head coach Joe Gossman was assisted by the former Rex Mundi head coach Frank Will.

Living up to early expectations, the gridders streaked to a 4-0 record defeating Princeton, Mt. Vernon, Terre Haute South and Memorial before falling to the claws of the underdog Bosse Bulldogs 7-6 on a field anything but dry. The Cats went on to pound Castle 51-0.

The next two games were disastrous for the squad's chances at either City or SIAC titles. Losing to North in another one-pointer 15-14, and being beaten by Reitz at Homecoming 31-13, left the Cats with a 5-3 mark.

As the season closed, the team beat Harrison 28-6 and in the finale defeated the much improved Central team 13-6.

The gridders finished the year with a 7-3 record and received many post-season awards. Seniors Mark Lemond, Dave Gossman, Bob Koressel and John Williams were selected for various All-City teams.

Kiwanis Award winner was Bob Ludwig.

Reserves, freshman gridders show promise

Strong potential marks the outlook for future varsity football teams. The Reserve team finished the year with a winning season, 4-3, while the frosh had to settle for a 3-5.

The Reserves started the season off with a thumping of Castle, 21-0. Though hitting a mid-season slump, the squad pulled through on a winning note. Directing the team was Coach Joe Dippel.

The Frosh, even though having a losing season, showed strength in many areas. The team streaked to three straight before losing. Jack Warren in his first year coached the freshmen.

New coaches Will, Sheridan lead Wildcats

Six points from state! This sums up the mighty Wildcats basketball team in a supposedly rebuilding year. The Cagers lost by four points to sectional champ Bosse who was later defeated by Tell City in a one point thriller. Eventually state champ New Albany defeated the Marksmen by one point thus placing the Cats six points from state.

Lead by the city leading scorer Terry Muensterman and the team's leading rebounder Pat Debes, the team came through with a remarkable 10-11 season. The season was highlighted by an upset victory over Memorial in sectional play.

Don Sheridan and Frank Will, former Rex Mundi mentors, boosted the Wildcats to a relatively successful season and a reserve city championship.

The reserves finished with a dazzling 14-3 record and went undefeated in city competition.

Other big victories during the season include a thriller over west side rival Reitz by two points and at Reitz's gym. With the addition of boy cheerleaders and more spirit the team romped over the Central Bears 76-51.

Unbeaten Matcats sweep

Mater Dei once again held a tight grip in wrestling honors as the Matcats captured City, SIAC and Sectional titles. This was the squad's third straight year of attaining City and SIAC crowns. It was the fifteenth city crown, third SIAC win, and seventh Sectional title, but it was the first time that any school has achieved all three honors in a single season. It was also the third straight year the grapplers finished undefeated in dual competition.

In winning the Sectionals, five Matcats clinched first places, Seniors Randy Helfrich, Jim Dewig, and John Williams, junior Paul Hillenbrand, and sophomore Tom Mayer each won in his respective weight division.

SIAC competition saw the Cats finish with four champions. They were seniors, Jim Dewig and John Williams, junior Matt Muensterman, and freshman Jim Schenk.

The reserve wrestlers showed that the future outlook is good as they took the City crown while going unbeaten. The grapplers outstandingly defeated such teams as Memorial 59-7, and Mt. Vernon 69-2.

growing together

Seniors kick off year with united efforts

The coming together of two distinctive senior classes seemed like starting high school all over again. Some students had to start their last year at a different school but for every senior it was a totally new class. At first the times were tough. There seemed to be a certain rivalry that arose, but with each passing day that rivalry weakened.

Senior year required many decisions. Such tasks as class trips, senior announcements, and graduation were handled by president Jim Dewig, who served as president all four years, vice-president Dan Brassard, secretary Angie Seibert, and treasurer Mary Tennyson.

Enthusiasm sky-rocketed during homecoming week although once again our team was defeated. Before anyone knew it, we were dressed as scruffy as possible for the sectionals. Even though the team lost in the semi-finals the seniors again came through in spirit.

As Easter vacation came, we all knew "it" was nearing—graduation was closing in. But May was not to be denied. May Day and the May 12 prom started off the month. Taking up the rest of the month were final preparations for graduation and senior week. Finally, June 1 came. It was our last day of classes.

The next week was a busy one. If it wasn't a class trip then it was finding the right cap and gown.

On June 10, in the Civic Center, the seniors gathered as a class for the very last time. It was a goal to which every senior looked forward. It was the end of four long years but the beginning of a whole new life.

Juniors spark assemblies with enthusiasm

This year the junior class of 169 students was headed by Dan Gutzweiler, president; Tim Martin, vice-president: Bruce Zeller, secretary; and John Voight, treasurer.

Although the class officers were selected late, the juniors started off the year with some fast action. Plans were immediately discussed concerning Prom, the main activity.

"Morning in May," the Prom set for on May 12, was complimented with colors of yellow and orchid selected by Prom Chairman Connie Weinzapfel and other committee heads.

The main decoration, a flowered dome with a fountain underneath, attracted as many couples as the music provided by Chakkar outside in the garden setting. Other highlights were the cozily candlelit cafe tables, a wishing well, and an entrance arch entwined with yellow roses.

Another big junior event is receiving class rings. The class of '74 received their class rings by celebrating a Mass on December 18.

The juniors ranked third in annual candy drive by contributing $1,868.63 to the sale. Dennis Mosbey was the junior's top salesman, and received a $50 savings bond.

In athletics the juniors excelled in football with six lettermen, wrestling four lettermen, and basketball two lettermen. There were also four juniors on the varsity reserve squad and three on the reserve squad. Marching with the MD band were six junior pom-pom girls.

The junior class ended their prosperous year with a class picnic which provided many new memories.

Sophomores work, play and worship together

Leading the Sophomore class this year were Ted Barron, president; Mike Rupprecht, vice-president; Karen Little, secretary and Patty Schmitt, treasurer.

Participation was the main sophomore project. If it wasn't singing on the downtown mall to sell candy as the school project, it was cheering at football games and boosting the wrestling team. The class was also the outstanding winners of the annual May Fest activities, but play wasn't all.

Many students achieved honors for their hard work and accomplishments. Those receiving Magna Cum Laude every quarter were Bob Barnes, Joe Macke, Mona McClure, Ann Wheatley, and Kevin Whitman.

Academic Monogram winners were Mona McClure, Joe Macke, Ann Wheatley, Donna Wargel, and Kevin Whitman.

Spirited frosh plunge into school activities

With spirit, enthusiasm, and united force the class of 1976 excelled in all fields involving school activities.

The leaders of the class were an all-male foursome. They were Gary Alles, president; Willy Gilbert, vice-president; Mike Dick, secretary; and Jim Macke, treasurer.

Breaking the yearly tradition of the sophomore class winning streak in all round school fund raising project, the freshman class showed that hard work and spirit are a winning combination. The frosh triumphed over the other classes by selling over $5,500 in a one week period. Jeff Merriss was the class's top salesman selling over $235 of candy and popcorn.

Many members of the class distinguished themselves excelling in nearly all of the academic areas. A large number earned honor monograms for their efforts particularly in comparsion with previous freshman classes.

The frosh basketball team established a record of 13 wins and 6 losses becoming one of the best records ever at Mater Dei. Because of their records they raised many hopes for future city fame in their forthcoming years.

FAR LEFT: Eager freshmen gather with their homeroom to pick up their candy and popcorn on their way to a winning candy sale.

ABOVE: The combined efforts of homeroom captains Judy Adler, Becky Bretz, Carla Allen, Pam and Pat Dean result in victory for all.

ABOVE: Charging out the door with hopes of winning the candy sale crown are Mark Schiff, Mary Mangold, Rex Below and Marian Helfert.

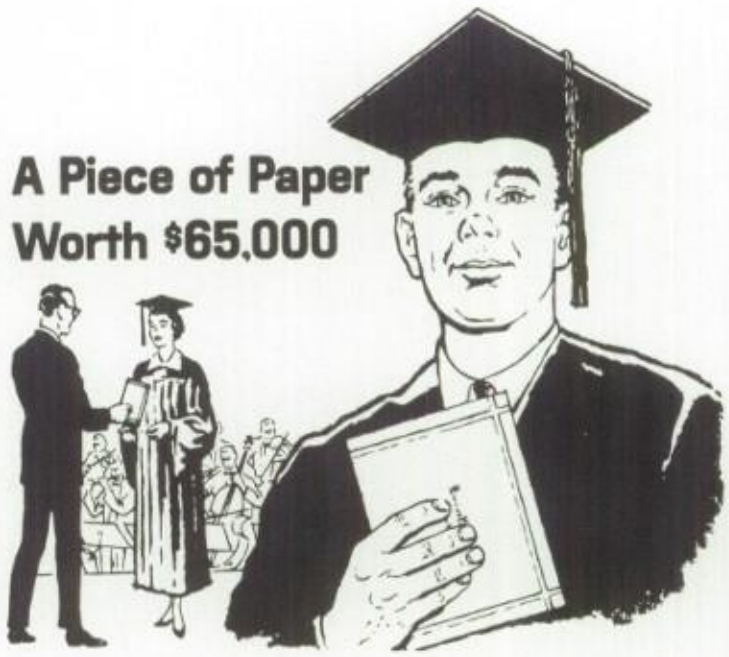
A Piece of Paper Worth $65,000



It's a proud moment. He's just received a piece of paper that may be worth $65,000. It's his high school diploma. Because of it, he has an edge over those who didn't finish high school. He has a better chance of finding and keeping a job. And he'll probably earn about $65,000 more during his lifetime, according to a recent survey. If he goes on and finishes college, he stands to earn an additional $100,000 (average) during his lifetime. The one who is best equipped has a big competitive advantage. Fact is, any way you look at it, a good education is well worth the effort. Good luck!

Dare Greatly

It is not the critic who counts; not the man who points out how the strong man stumbled, or where the doer of deeds could have done better. The credit belongs to the man whose face is marred by dust and sweat and blood; who strives valiantly; who errs and comes short again and again; who knows the great enthusiasms, the great devotions, and spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement; and who at the worst, if he fails, at least fails while daring greatly; so that his place shall never be with those cold and timid souls who know neither victory nor defeat.

Together, that's how things were accomplished this year. It began with excitement for the frosh and hard times for the seniors. However, our difficulties could not mar the pleasure of the new friendships we've made, the feelings we've shared and the knowledge we've attained.

You the students created the happenings. You gave it its sparkle and its monotony. It was a good-bad year. It was rounded with a theme of groping for understanding on the part of each and every student. To all who shared in this experience, the year 1972-73 will remain a year to remember.

There are some special people who helped make this yearbook possible. Our special thanks to our adviser, Mrs. Benita Williams, our great Journalism II staff, photographers Dan Kremer and Mike Barnes, professional photographers Bill Adkins and Sonny Brown of the *Evansville Courier* and Don Goodaker of the *Evansville Press*, and Robert Burke of the *Sunday Courier and Press*.
